

# WNTC Schedule

On Monday, Sept. 21, WNTC formally started its yearly activities by holding a general meeting for everyone interested in joining the radio club. Although there was a very good turnout, there is still room for everyone who wishes to join and could not, for some reason, attend the meeting. Those interested should contact Bob Slocum. The public is invited to come to the radio station anytime we are broadcasting to sign up.

For the remainder of this week WNTC will broadcast for only two hours nightly between the hours of 7:00 and 9:00 P. M. Beginning Monday, Sept. 28, a full schedule of four hours, beginning at 7:00 P. M. will be in effect Monday through Friday.

Many special programs will be presented this year as well as many which have been presented in the past. Be sure to watch for their announcement on the WNTC Bulletins which will be posted at various spots on the campus.
